Dear Delegate,

We welcome you to the ML Smart Events on line registration system! Aim of the online registration system is to provide all delegates a user friendly registration process. In the case where a participant is signing up with ML Smart Events on line registration system for the first time, he/she will be required to open an account before registering for the relevant conference.

The registration process is also quick and trouble-free. Once all the relevant information has been entered, each participant may proceed to the selected payment method. Our system accepts VISA and MASTERCARD transactions. The wire transfer method is also an option and the relevant account details are available. In the case where additional information or assistance is required, please do feel free to [contact us](#)

Thank you
